Important Notes

We will require a full confirmation of your order the week prior to your collection. Due to the expense of many of the ingredients we will unfortunately not be able to accommodate last minute changes to your selection.

Take-away collections are cooked and ready to eat apart from the desserts which will come with instructions on reheating/finishing at home.

'Cook at home' packs contain prepared or part-cooked dishes to refrigerate or freeze at home, and full instructions for you to re-create the entire meal at a time you choose.

You can return all your packaging to us after you have finished your meal and we will recycle or reuse it all as appropriate.

All required Covid-19 precautions will be in place at the time of your meal. For this reason we can only accept bookings in advance, and bookings may have to be cancelled or amended if the restrictions in place change.

Several dishes can be prepared without dairy ingredients, or gluten-free. Please advise us of any allergies, intolerances or other dietary requirements at the time of booking.

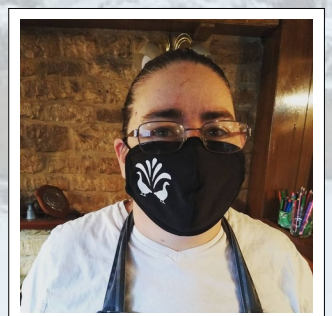

Christmas Gifts from The Geese and Fountain

Just because you can't spend time with your friends at the pub this year, doesn't mean you can't share the Geese and Fountain fun with them.

As well as gift vouchers to any value you choose, we can offer gift boxes made up from our wide choice of bottled and canned beers and ciders, as well as tailored

selections from our extensive range of small batch gins and distinctive whiskies. And also our practical and stylish Geese & Fountain face masks; an ideal stocking filler for this very unusual Christmas.
